Golf Pencils Questions/**Answers**

Question: We don't carry PMS 361 green as a stock color. Would another shade of green be acceptable?

Answer: The green color has to be the PMS 361, with the website engraved on the pencil in white. All capital letters. (As specified on the solicitation)

Question: We have a color very similar to PMS 286 blue but it is not an exact match. Is it possible to accept a slightly different shade of blue?

Answer: Same thing with the blue color, it has to be the PMS 286, with the website engraved on the pencil in white. All capital letters.

Question: Deliver 100 boxes to: Is it required that the final shipment be a total of 100 boxes? We typically pack these pencils 32 inner boxes of 144 pencils per master carton.

Answer: The shipment normally comes 144 pcs/box, 40 boxes/carton for a total of 5,760 pieces per carton.

Question: Are there any special labeling requirements for this order?

Answer: Only as specified on the solicitation

Question: Do you need these pencils with or without erasers?

Answer: Without Erasers

Question: Can we bid on this with an alternate delivery date and still have a chance of being awarded?

Answer: Your delivery needs to be within the time frame stated in the solicitation

Question: Please send me more information about this bidding opportunity

Answer: Please see solicitation at:
<http://www.sceducationlottery.com/lottery/procurement.aspx>

Question: when we send in the samples, does it have to have your imprint on it, or can it be a random blue and green pencil?

Answer: While we would like to see our imprint on your samples, it is not required
