Thanks a BILLION, SC Retailers!

What better way to kick off 2016 than with a BILLION DOLLAR jackpot! From all of us at the Education Lottery, we want to say "Thank You" for sharing in this history making moment with us. Your Powerball® sales meant an additional \$10 - \$15 million for education in South Carolina! We couldn't make a difference for students in SC without you!

We applaud the way you handled lines of customers waiting to buy tickets and constant updates to the jackpot amount that kept you busy. The creativity you showed when the jackpot became too large for your signs to bear was not only amazing but entertaining.

Did you know it was reported that retailers across the U.S. used 234,000 rolls of paper during the jackpot run? That's enough ticket stock to go around the world 1½ times!

There were lots of smiles too. The night of the \$1.58 billion Powerball® drawing, South Carolina posted a record number of winners, 366,595. Eleven retailers earned a \$500 commission and five earned \$1,000 in our state for redeemed tickets sold.

Until our next big jackpot run, let's not put Powerball® on a shelf. \$40 MILLION is still a lot of cash! So continue to "Ask for the Sale." And always encourage your players to play responsibly. It only takes one ticket to win.

2015 Calendar Year Million Dollar Sales Club

Congratulations! The Million Dollar Sales Club grew by 55 members! For Calendar Year 2015, 136 of you posted lottery ticket sales in excess of \$1 million. Your efforts resulted in more than \$103 million in commissions earned. Way to go!

If you are new to the club, welcome! If you're looking to join, ask your Marketing Sales Representative for ideas and techniques that will drive your sales. We hope to see you on the list next year!

SPOTLIGHT

Quick Pantry #5

By Jonathan Jones, Midlands MSR

Husband and wife team Gunvant and Rajula Patel have been the driving force behind successful lottery sales at **Quick Pantry #5** in **Orangeburg** according to store owner Rocky Patel (not pictured). Gunvant and Rajula smile at Rocky's praise. Their response, "It's just good old fashion customer service."

Honesty has been a big part of their success too.

The duo is known for checking behind players purchasing instant tickets. "We see customers scratch a ticket and before they throw it away, we ask them to let us check it to be sure it's not a winner," the couple said. There have been instances where the tickets were winners, and the customer leaves the store appreciating the great service and honesty displayed.

Quick Pantry #5 is regularly in the Million Dollar Sales Club and always ranks in the top tier statewide in sales. Their motto is: Make sure every customer is treated like family and satisfied. That is one of the many reasons why this team is so successful!

Gunvant and Rajula Patel have got your back. If you are new to the Lottery or just happen to miss something while looking over your ticket, this pair will check behind you to make sure you aren't throwing a winning ticket in the trash. Thanks for looking out for your customers, Quick Pantry #5!
