Your Lucky Numbers are BIG NEWS!

By Julie Huffman, Beneficiary Communications Coordinator

Something BIG is back. This fall, the South Carolina Education Lottery's biggest instant game returns. It's the NEW **Gigantix® Lucky Numbers** scratch-off. Your customers can find their "lucky numbers" at your store starting Tuesday, September 25.

At over twice the size of standard \$10 instant tickets, **Lucky Numbers** features a king-sized top prize of \$275,000! And that's not all, **Lucky Numbers** comes with a chance to win up to 42 times, up from the previous Gigantix® ticket that only had 38 chances to win.

Lucky Numbers is an eye catcher too, and not just because it sits in its own, stand-alone ticket dispenser. The ticket's design is a fresh dose of 1980s nostalgia with its rainbow of fun, bright neon colors and radical fonts that are popular and on trend. Your players will be asking about this one.

Be sure to show your customers that this impressive ticket features four different play areas for one price. *Neon 9s, Crazy 8s, Funky 7s* and *Swift 6s* are sure to provide your players with some quality scratching. That's a lot of play time on just one ticket!

So when your customers ask which ticket they should try, be sure to point to the ginormous **Lucky Numbers** instant ticket and say, "We've got your lucky numbers right here!"

Overall odds of winning playing **Lucky Numbers** are 1 in 3.90. The odds of winning \$275,000 playing **Lucky Numbers** are 1 in 750,000.

Start your day with a cherry on top.

SPOTLIGHT

Mo Convenience & Tobacco

By Jessica Hastings, Midlands Associate MSR

Aiken County lottery players are lucky, in more ways than one, to have **Mo Convenience & Tobacco** as a lottery retailer. Owner Atul Patel (pictured) and his staff take absolutely great care of players seeking a winning experience.

Several practices Patel and his staff do daily give players an opportunity to experience purchasing a winning ticket. When you enter the store, you can tell they place emphasis on selling Lottery. Throughout the location there is signage accentuating the online games, notably Pick 3 and Pick 4. Winner awareness boards are loaded with winning experiences, neatly advertised for all to see. Patel is also proficient at using our new terminal, which allows him to process multiple ticket purchases for their ever-growing Pick 3 and Pick 4 player base. And last, but certainly not least, the instant ticket dispensers are virtually visible from the store's parking lot and always full.

These simple practices in conjunction with Patel's endless commitment to providing the highest level of customer service are why Mo Convenience &

Tobacco continue to generate more lottery sales, making them the top lottery retailer in Aiken County for 2016 and 2017, quite a deserved achievement.
