“Lucky for Life” OFFICIAL GAME RULES

INTRODUCTION

The Official Lucky for Life Game Rules (Official Game Rules) are comprised of and the Lucky for Life game is governed by: (1) Act 59 of 2001, as and if amended; (2) the Regulations of the South Carolina Education Lottery Commission (SCEL); (3) any matter adopted by the Board of Commissioners of the South Carolina Education Lottery Commission; (4) the controlling documents relating to the Lucky for Life game previously or prospectively approved by the New England Lotteries (defined below) and/or Licensee Lotteries (defined below) as may be appropriate (including, but not limited to, the Official Game Rules, the Participation Agreement, Finance and Operations Procedures, and the Draw Procedures); (5) the material presented in this document;¹ (6) the Software Functional Specification (“game specifications”); and (7) any practices and/or procedures, either written or unwritten, utilized by SCEL and/or the New England Lotteries.

The documents enumerated above are incorporated into the Official Game Rules by reference and are binding as if printed herein. Each document referenced shall have equal weight unless there is an ambiguity or inconsistency between or among the documents, in which case the document enumerated first shall control. The materials on file with New England Lotteries (see item (4) above) are controlling as that group is the official custodian of all documents related to Lucky for Life (see footnote #1, below).

The following Official Game Rules govern the operation of the “Lucky for Life” game described herein (the “Game”). These Official Game Rules apply unless otherwise inconsistent with the constitutional provisions, statutes, regulations and rules of each Party Lottery jurisdiction (“jurisdictional laws”).

PART I - LOTTERIES OFFERING THE GAME.

The Connecticut Lottery Corporation, the Maine State Liquor & Lottery Commission, the Massachusetts State Lottery Commission, the New Hampshire Lottery Commission, the Rhode Island Division of State Lottery and the Vermont Lottery Commission (collectively the “New England Lotteries”) are offering the Game for sale.

In addition to the New England Lotteries, other lotteries may, from time to time, offer the Game in their respective jurisdictions (collectively the “Licensee Lotteries”).

The New England Lotteries and the Licensee Lotteries are together referred to as the “Party Lotteries” or individually as a “Party Lottery.”

PART II - PURPOSE.

The Game’s purpose is to generate revenue for the Party Lotteries through the operation of a multi-jurisdictional lottery game that will award prizes to Game Ticket holders matching specified combinations of numbers randomly-selected in regularly scheduled Drawings.

¹ The Official Rules for Lucky for Life and all documents relating to the operation of the Lucky for Life game are kept and maintained by the New England Lotteries. If there is any discrepancy between what is printed herein and the documents on file with the New England Lotteries, the current, official records and documents kept by the New England Lotteries are controlling.

PART III - TERM.

The Game shall commence sales no sooner than January 25, 2015 and shall continue until terminated. PART VII - PRIZE LIABILITY LIMITS, PRIZE PAYOUTS AND PRIZE LEVELS.

The following paragraphs and chart define the Game's prize liability limits, prize payouts, prize levels and pool percentages, and chances of winning per prize level.

A. Prize Liability Limits. There are 10 prize levels in the Game.

1. Except as provided in these Official Game Rules, the Top Prize (Prize Level #1) shall be annuitized and based on a Top Prize liability that will be split equally among the number of winning Game Tickets. A Top Prize Winner may request the Cash Option, the amount of which is to be established by the New England Lotteries for a defined period of Drawings. Notice of the amount of and changes to the Cash Option shall be posted on the Game's website and/or published in each Party Lottery jurisdiction in a manner determined by that Party Lottery at least thirty (30) days prior to the first Drawing to which it is applicable (the "Published Notice"). Under certain circumstances, as detailed below, the Top Prize is required to be paid in a single Lump Sum Cash Payment and no Annuitized Payment Option is available.

- a. One (1) Top Prize Winner. If there is one (1) Top Prize Winner, the annuitized prize value will be seven thousand dollars (\$7,000.00) per week for life. As an alternative to the Annuitized Payment Option, the Top Prize Winner may request the Top Prize Cash Option in the amount set forth in the Published Notice.
 - b. Two (2) to Fourteen (14) Top Prize Winners. If there are between two (2) and fourteen (14) Top Prize Winners, the Annuitized Payment Option, based on an annuitized prize value of seven thousand dollars (\$7,000.00) per week, will be divided by the total number of Top Prize Winners. The minimum annuitized prize value for this category will be five hundred dollars (\$500.00) a week for life. Any of these two (2) to fourteen (14) Top Prize Winners may choose the Cash Option as an alternative to the Annuitized Payment Option. The amount of the Cash Option for this category will be the amount of the Top Prize Cash Option set forth in the Published Notice divided by the total number of Top Prize Winners. The minimum Cash Option for this category will be the amount set forth in the Published Notice.
 - c. Fifteen (15) or more Top Prize Winners. If there are fifteen (15) or more Top Prize Winners, the Top Prize liability shall be capped at seven million one hundred twenty-five thousand dollars (\$7,125,000.00), shall be split equally among all Top Prize Winners, and shall be paid in one (1) Lump Sum Cash Payment, without an Annuitized Payment Option. The minimum prize value for this category shall not be less than any lower tier prize paid in that respective Drawing.
 - d. The Winner(s) of the Top Prize who do not request the Cash Option shall be paid their appropriate Top Prize share on a weekly basis, or according to such other schedule of payments set at the discretion of each Party Lottery, as permitted in Part VII Paragraph C of these Official Game Rules, for a minimum period of twenty (20) years. The first Top Prize payment will be made when the prize is claimed at the Selling Lottery's Headquarters.
 - e. Measuring Life. For a single Wager, the measuring life of a Top Prize Winner used to determine the duration over which the Top Prize is paid, shall be the natural life of the individual determined by the Selling Lottery to be the Top Prize Winner. If the Top Prize under a single Wager is being claimed by more than one (1) natural person or by a legal entity, the measuring life for that Top Prize Winner shall be twenty (20) years.
 - f. If paid in a Lump Sum Cash Payment, Top Prize amounts will be rounded to the nearest whole dollar.
2. Except as provided in these Official Game Rules, the second prize (Prize Level #2) Winner will be paid twenty-five thousand dollars (\$25,000.00) a year for life. A second prize Winner may request the Cash Option, the amount of which is to be established by the New England Lotteries for a defined period of Drawings. Notice of the amount of and changes to the Cash Option shall be posted on the Game's website and/or by each Party Lottery's Published Notice. Under certain circumstances, as detailed below, the second prize is required to be paid in a single Lump Sum Cash Payment and no Annuitized Payment Option is available.
 - a. One (1) to Twenty (20) Second Prize Winners. If there are between one (1) and twenty (20) second prize Winner(s), the annuitized prize value will be twenty-five thousand dollars (\$25,000.00) per year for life. Any of these one (1) to twenty (20) second prize Winner(s) may choose the second prize Cash Option as an alternative to the Annuitized Payment Option. The amount of the Cash Option for this category will be set forth in the Published Notice.
 - b. Twenty-one (21) or more Second Prize Winners. If there are twenty-one (21) or more second prize Winners, the second prize liability shall be capped at nine million four hundred thousand dollars (\$9,400,000.00), shall be split equally among all second prize Winners, and shall be paid in a single Lump Sum Cash payment, without an Annuitized

Payment Option. The minimum prize value for this category shall not be less than any lower tier prize paid in that respective Drawing.

- c. The Winner(s) of the second prize who do not request the Cash Option shall be paid their appropriate second prize share on an annual basis for a minimum period of twenty (20) years. The initial second prize payment will be made when the prize is claimed at the Selling Lottery's Headquarters; subsequent second prize payments will be made annually thereafter.
 - d. Measuring Life. For a single Wager, the measuring life of a second prize Winner used to determine the duration over which the second prize is paid, shall be the natural life of the individual determined by the Selling Lottery to be the second prize Winner. If the second prize under a single Wager is being claimed by more than one (1) natural person or by a legal entity, the measuring life for that second prize Winner shall be twenty (20) years.
 - e. If paid in a Lump Sum Cash Payment, second prize amounts will be rounded to the nearest whole dollar.
3. Except as provided in these Official Game Rules, the third prize (Prize Level #3) will be paid as a five thousand dollar (\$5,000.00) Set Prize. If there are more than one thousand (1,000) Winners of this prize level in a single Drawing, the total prize liability of five million dollars (\$5,000,000.00) ($\$5,000.00 \times 1,000$) will be split equally among the Winners. Under no circumstances, however, will the value of the third prize fall below a minimum prize value of two hundred dollars (\$200.00) per Winner, regardless of the number of Winners. Third prizes will be rounded to the nearest whole dollar and paid in a single cash payment.

B. Entitlement to Prizes by Winners. The holder of a winning Game Ticket shall be entitled only to the prize won by matching the Winning Numbers in the highest matching prize category.

C. Payment of Prizes. All winning Game Tickets, including the Top Prize and second prize winning Tickets, shall be paid in accordance with these Official Game Rules and jurisdictional laws. Each Party Lottery shall withhold taxes and other required withholdings in accordance with applicable federal and jurisdictional laws. To be a valid Game Ticket and eligible to receive a prize, a winning Game Ticket shall satisfy all the requirements established for the validation of winning Game Tickets sold through each Party Lottery's On-Line Gaming System, and any other requirements adopted by the New England Lottery Directors. Party Lotteries shall not be responsible for Game Tickets that are altered in any manner.

1. Top Prize and Second Prize Payments. Except in the case of a Cash Option payment or a Lump Sum Cash Payment paid in accordance with these Official Game Rules, annuitized prize payments shall be made for the measuring life of the Top Prize or second prize Winner. All annuitized payments shall be made for a minimum of twenty (20) years. The measuring life as defined in Section VII Paragraphs A (1)(e) and A (2)(d) of these Official Game Rules shall be determined at the time the Top Prize or second prize is claimed. In the event annuitized prize payments are assigned, if allowable under jurisdictional law, or assigned by a court order, the measuring life at the time the Top Prize or second prize was claimed shall not change and limit or extend the number of annuitized payments due any assignee, court-ordered or otherwise. In the event of the death of a Top Prize or second prize Winner during the annuity payment period, the Selling Lottery, with the approval of the New England Lotteries, upon petition of the estate of that Winner (the "Estate") to the Selling Lottery, and subject to the Selling Lottery's jurisdictional laws, may accelerate the payment of all the remaining lottery proceeds to the Estate.
 - a. If the annuitant dies during the annuity payment period but before the guaranteed prize amount has been paid, the Estate shall receive the remaining payments equal to the minimum guaranteed prize amount.

- b. If the annuitant dies during the annuity payment period but after the minimum guaranteed prize amount has been paid, all payments shall stop.
2. Low-Tier Set Prize Payments. All low-tier Set Prizes (all prizes except the Top Prize and second prize) shall be paid in one (1) single cash payment through the Selling Lottery that sold the winning Game Ticket(s). Prizes shall be rounded to the nearest whole dollar. A Selling Lottery may begin paying low-tier cash prizes after receiving authorization to pay from the Clearinghouse Lottery.

In the event a dispute between a Selling Lottery and a Game Ticket bearer occurs as to whether the Game Ticket is a winning Ticket, and if the Ticket prize is not paid, the Selling Lottery may, solely at its option and in its discretion, reimburse the Game Ticket bearer the purchase price of the Ticket. This shall be the Game Ticket bearer’s sole and exclusive remedy.

PART IX - APPLICABLE LAW.

In purchasing a Game Ticket, the following provisions apply:

- A.** The Purchaser agrees to comply with and abide by the Selling Lottery’s jurisdictional laws and final decisions, as well as all rules established for the conduct of the Game.

- B.** Decisions made by the Selling Lottery Director/Commissioner, including the declaration of prizes, the payment thereof, and the interpretation of these Official Game Rules, shall be final and binding on all Purchasers and on every person making a claim in respect thereof. In the event of conflict, however, between these Official Game Rules and the applicable Selling Lottery's jurisdictional laws, the applicable Selling Lottery's jurisdictional laws shall control.

PART X - SCEL POLICY ON RETAILER CREDIT FOR A DEFECTIVE PLAY

- A. Sales Terminal Malfunction.** If a ticket does not print, is misprinted (such that it is reasonable to expect that it may not be readable for validation), illegible, or mutilated, the retailer must take the following steps to obtain a credit:
1. The defective play must be confirmed immediately by producing a REPRINT ticket. A reprint must be done prior to the next transaction.
 2. Any or all parts of the defective ticket must be retained for submission to SCEL.
 3. Prior to the draw(s) for the ticket in question, you must call the on-line lottery product vendor (Intralot USA [Intralot]) hotline (tollfree) at 1-877-500-5202 to report the problem and obtain a Control Number to document what has occurred. If you are unable to reprint a ticket, you must call Intralot for their assistance in documenting the nature of the problem. A credit is available under these circumstances only when it is documented to the satisfaction of SCEL.
 4. To obtain credit, the defective ticket must be submitted, after the applicable draw date(s), along with the REPRINT ticket and Control Number to the SCEL Finance Department, P.O. Box 11949, Columbia, SC 29211-1949.
 5. After review of the material submitted, a credit may be issued to the retailer for the cost of the ticket.
- B.** No credit will be issued to a retailer for unsold tickets except as specified above. **A CREDIT IS NOT AVAILABLE WHEN THE ORIGINAL TICKET IS LEGIBLE OR IS THE RESULT OF A CLERK OR PLAYER ERROR. (See PART VI, F., #4. – Ticket Cancellations Prohibited)**

PART XI - AMENDMENTS
