

## PROMOTION WILL RUN FROM JUNE 28, 2026-OCTOBER 3, 2026!

### WHAT IS PICK 3 / PICK 4 INSTANT WIN?

Pick 3 / Pick 4 Instant Win is an exciting new promotion that will provide players with a chance to win "Instant Win" tickets with any Pick 3 or Pick 4 game purchase! During the promotional period, the terminal will randomly print "Instant Win" tickets. The "Instant Win" ticket can be redeemed instantly for a cash prize of \$10. Players will keep their Pick 3 and Pick 4 tickets for the Pick 3 and Pick 4 draw results as usual.

When a player is awarded an "Instant Win" during the promotion, that "Instant Win" portion will be attached to their regular Pick 3 / Pick 4 ticket that prints from the terminal (see example). A sound will play from the terminal when an "Instant Win" ticket prints to alert the player that they have won an "Instant Win" ticket. Players can immediately redeem their "Instant Win" ticket. Please return the ticket to the player after redemption. **Pick 3 and Pick 4 tickets can still be canceled.** For a chance to win an "Instant Win" ticket, players must play Pick 3 or Pick 4!

### HOW TO CASH INSTANT WINS

- From the Home Screen, select Instant Win Validation.

- Scan the Barcode on the Instant Win Ticket using the CCD Barcode Reader.

- If the barcode does not scan, manually enter the ticket serial number using the numeric touchpad.
