

RETAILER SPOTLIGHT

West End

By Jay Caldwell, Upstate MSR

In just three years, in addition to dealing with a world-wide pandemic, **West End** convenience store in **Greenville** has risen like a phoenix from the ashes to take their place amongst the top selling lottery locations in the state.

In 2019, Viran and Visu Patel opened West End and became a lottery retailer. Since then, with great customer service and a hearty “welcome” to all their customers, West End quickly joined the Million Dollar Sales Club! Viran (pictured to the right), says that one of the keys to his superb lottery sales are keeping the dispensers full and having a large variety of games. Viran commented, “First thing in the morning, I’m filling my dispensers so my customers aren’t disappointed or having to ask for certain games.”

Players that enter the store are appreciative of the Patels’ warm nature and are always treated well. One player said, “Both “V”’s stay on top of the Lottery and always have the new tickets put up as soon as possible.”

Viran also credits his new digital jackpot sign with increasing the store’s sales, “Just having those bright

numbers light up, especially with the large jackpots lately, I think has definitely upped my lottery business!” Viran also proudly displays all of his Winner Awareness posters so his players know his store is selling winners! Some players even autograph their posters!

If in Greenville, stop by West End on Green Ave., and maybe you too can sign your name to a winner’s poster!

\$4 MILLION TO **RETAILERS.**

Happy Birthday CASH POP!

The one number game turns one this month! You told us players wanted a game that was simple and easy to play, and you were right. CASH POP sales have exceeded expectations, totaling more than \$60 million in 2022!

It's a hit, because YOU put in the hard work.

You learned how to play CASH POP. You taught it to your customers. You asked for the sale. AND, when players won, you willingly paid out CASH POP prizes. Over \$39 million has been won on CASH POP!

And you won too! Lottery retailers have earned more than \$4 MILLION in CASH POP commissions.

How do you follow up such a successful first year? With an even better second one. So, keep asking for the sale, and if you need help, consider these conversation starters:

WHAT'S YOUR LUCKY NUMBER?

If the answer is a number between 1 and 15, you should sell them a CASH POP ticket. Let them know they can play their lucky number for \$1 for a chance to win up to \$250.

WANT TO TRY A FUN AND EASY GAME FOR JUST \$1?

CASH POP is perfect for first time players. It's fun. It starts at \$1. And the directions are simple. Pick a number from 1 to 15. If the number you pick matches the one number drawn by the Lottery, then you win the prize shown on your ticket. It's that easy.

WANT A CASH POP TICKET? YOU HAVE A 1 IN 15 CHANCE OF WINNING.

CASH POP's overall odds of winning are 1 in 15. And you can play all 15 numbers (or POPs) to guarantee a win. As a retailer,

A Gold Rush is Coming

\$300,000 Gold Rush and \$200,000 Gold Rush scratch-offs go on sale Tuesday, January 3. As the name says, players can instantly win up to \$300,000 on the \$10 Gold Rush ticket or up to \$200,000 on the \$5 version.

Five players will be golden when their name is selected to win \$100,000 in the **Gold Rush Second-Chance Promotion**. Encourage players to give these two new games a try and to enter their non-winning tickets for a chance to win \$100,000. Non-winning tickets can be entered by using the Lottery's Players' Club App or online at sceducationlottery.com.

\$300,000 Gold Rush – Top prize odds: 1 in 1,080,000. Overall odds: 1 in 3.54.
\$200,000 Gold Rush – Top prize odds: 1 in 960,000. Overall odds: 1 in 3.98.

this is an up-sell opportunity to encourage players to purchase more POPs for different prizes and improved odds of winning.

LIKE A CASH POP TICKET WITH YOUR PICK 3/PICK 4?

CASH POP is drawn twice a day at 12:59 p.m. and 6:59 p.m., just like Pick 3 and Pick 4. For players, that's more chances to win. For you, that's more opportunities to grow commissions and attract players to the game. Players will also like to hear that most CASH POP prizes can be cashed in your store.

Here's a few more CASH POP fun facts worth sharing. The number "14" has been drawn the most, the most popular price point is \$2 and the average payout is \$34.

Thank you again for all of your efforts supporting the CASH POP game. And from all of us at the South Carolina Education Lottery, we wish you a happy and profitable year ahead.
